

Live better for less.

As a member of the Martin's Point US Family Health Plan, you get more than the traditional TRICARE Prime® benefits. Through our partnerships with **EyeMed**®, **Amplifon**®, and Choices by **WholeHealth**®, you receive discounts (in some areas) on a number of health care products and services.

Discount Programs

Eyewear

Enjoy exclusive savings through our partnership with EyeMed Vision Care. Save up to 35% on frames, lenses, lens enhancements (like anti-reflective coatings and UV protection), and contact lenses at participating locations, such as select LensCrafters, Pearle Visions, Target Optical centers, and more.

Simply confirm participation with your chosen provider and **present the US Family Health Plan Discount ID number 1021887 at checkout** to access these discounts.*

Complementary/Alternative Medicine

Our partnership with Choices by **WholeHealthLiving** provides discounts of 10–30% off complementary and alternative medical treatments at participating providers, including:

- Acupuncture
- Chiropractic
- Massage Therapy
- Naturopathy
- Nutritional Counseling
- Tai Chi
- Yoga
- And much more.

Fitness Centers

You have access to discounts and specials at participating fitness centers. Offers vary by fitness center and may include deals on monthly fees or enrollment fee waivers.

Hearing Aids/Batteries

Get substantial discounts on hearing aids and hearing aid batteries through our partnership with **Amplifon**. Please remember that for hearing tests and medical services, you should see a US Family Health Plan network provider. Call Martin's Point US Family Health Plan Member Services at **1-888-674-8734 (TTY: 711)** for a network provider near you. The Amplifon program should be used only to purchase hearing aids and batteries.

Learn more and get links to register for discount programs at martinspoint.org/member-welcome-kit.
