US FAMILY HEALTH PLAN

MARTIN'S POINT[®]
US FAMILY HEALTH PLAN

For over 40 years, the US Family Health Plan has been an integral part of the military health care system. Our plan is available to military beneficiaries in six areas across the country. In each, the Department of Defense has designated a health care provider to manage the plan. In northern New England, the US Family Health Plan has always been administered by Martin's Point Health Care, a locally owned and operated not-for-profit health care organization. We now serve members in Maine, New Hampshire, Vermont, upstate New York, and northern Pennsylvania.
